APPLICATION FOR APPOINTMENT OF HECTOR G. GANCEDO AS PLAINTIFFS' CO-LEAD COUNSEL

Pursuant to your request for applications for appointment to interim Lead Counsel on behalf of Plaintiffs in this matter, I hereby submit my application. I am a founding partner of Gancedo & Nieves LLP in Pasadena, California, a firm that specializes in class actions, mass tort actions and complex litigation. I am counsel of record in <u>Hauenstein et al. v Random House et al.</u>, Case No. 1:06-cv-04643-RJH. In recent years, my firm has represented thousands of consumers who have been victimized by unfair business practices. Since we have been involved in the Random House litigation, I have dedicated time and resources to the litigation, and I will continue to do so.

Since founding Gancedo & Nieves, my practice has focused on class action and mass tort litigation. In class action litigation, I specialize in consumer fraud and unfair competition litigation with a sub-specialty in labor wage and hour litigation. I have represented individuals in class actions based upon a variety of claims, including labor, antitrust, environmental, securities, banking, insurance, and consumer issues. I have been appointed lead counsel or class counsel in numerous class cases including Mazzarella v.

Bank of America (consumer), Taylor v. PalmOne, Inc. (consumer), Babinski v. Pilot

Catastrophe Adjusters (wage and hour), In Re Woodlawn Cemetery (mishandling cemetery remains), Mackall v. Farmers Insurance Exchange (wage and hour), Smiley v.

CSAA (wage and hour), and O'Connor v. Boeing (environmental), and have served as local counsel in many other cases.

In mass tort litigation, I have represented hundreds of individuals in product liability and medical malpractice actions involving injuries resulting from defective medical products and ingestion of pharmaceutical products including Vioxx, Celebrex, Bextra, Rezulin, PPA, Fen-Phen, Baycol, and Sulzer Hips. I have also represented hundreds of individuals for cancer and other serious illnesses resulting from toxic waste. In addition to representation of individual clients in mass tort litigation, I have demonstrated my ability to work cooperatively with others and to provide substantial common benefit work by participating in executive, discovery, expert and/or class committees in numerous class and mass tort litigations on a state and national level.

Until just one month ago, my firm was actively involved in pursuing a settlement along with the other firms involved in the soon-to-be proposed settlement. I have not signed the settlement agreement based on questions and concerns I have regarding its terms, and the process by which confirmation of certain representations is accomplished. I wish to serve in an executive capacity in this litigation to oversee the proposed settlement to ensure the terms benefit the Class, and to participate in confirmatory discovery to the same end. In the event the proposed settlement is not an appropriate class remedy, or it is not approved by this Court, I am fully qualified to serve as co-Lead Counsel and to work cooperatively with others toward a resolution which benefits the Class. I personally have the time and resources to commit to serving in an executive capacity and hereby request appointment.

Dated: September 22, 2006

Respectfully submitted,

HECTOR G. GANCEDO (SBN 132139)
